PATALDHAMAL WADHWANI COLLEGE OF PHARMACY, YAVATMAL

**Report on One Day Workshop on "Intellectual Property Rights" Awareness Programme
Sponsored by Pataldhamal Wadhwani College of Pharmacy Students Alumni Association
(PWCOPSA)**

P. Wadhwani College of Pharmacy organized One Day Workshop on "Intellectual Property Rights" Awareness Programme Sponsored by Pataldhamal Wadhwani College of Pharmacy, Yavatmal student Alumni Association (PWCOPSA) on 08-05-2018 Adv. Swapnil Gawande highly experience faculty working as a patent & trademark consultant for more than 50 educational & industrial organization. The objective of the workshop was to get the knowledge about all awareness & procedure in patent filling in simplified way.

The guest were arrived at 9.00 am the organization committee welcomes them. The breakfast was offered to them by refresher committee. At 9.30 am registration of programme was started more than 50 participates. The program started at 10.00 am the workshop was started with the blessing of Goddess Saraswati with the hands of eminent personality present on dias i.e Adv. Swapnil Gawande, rescores person & Prof.(Dr) A. V. Chandewar, Principal P. Wadhwani College of Pharmacy. Adv. Swapnil Gawande has been welcomed by the hands of Dr. A. V. Chandewar by giving bouquet, shawl & Shriphal. Dr A. V. Chandewar was welcomed by the hands of Miss. M. D. Kitukale by giving a bouquet.

Introductory speech was delivered by Prof. (Dr) A. V. Chandewar. He had given the idea what is IPR & it's importance in the field of research & explains objective of workshop. Then technical session was started at 10.30 am. Adv. Gawande started the session by introduction to IPR it's definition & importance. He also gave an idea about what is patent & all steps & forms required to file IPR. This session was continued to 12.00 noon. Then there was break 15 min. i.e. from 12.00 to 12.15 pm

Session -II was started at 12.15 pm in this session Mr. Gawande gave the brief idea about drafting & procedures of patent as which type of research work can be file for patent He informed that the research work directly base on natural resources like solar work without any scientific modification can not be file as patent, also the published work by other people as already patented work can not be modified or refile as patent. They also gave breaf idea about copyright, and treadmarks. This session was too much elaborative & informative & ends at about 1.35 pm.

Then there was lunch break of about 1 hour, i.e. from 1.35 pm to 2.30 pm. The third session was started at 2.30 pm. In this session Mr. Swapnil Gawande explains drafting of claims of patents application. The published patents after examination of it, the claims & objection

have to defiance it. He also explains precautions & compliance patentability of Phamaceutical inventions. This session was very much technical , important & it was continued up to 5.00 pm

Proceeding was conducted by Miss N. S. Kinekar and vote of thanks was delivered by Dr. B. V. Bakade. For the success of workshop all teaching & Non teaching staff members has taken efforts.
