AN INTRODUCTION

*The institute aims to provide a platform
to students for their quality education
and development of multidimensional personality*

Hon'ble Shri. Jagdishji Wadhwani
Chairman

Prof. (Dr.) A. V. Chandewar, Principal

*PWCOP marches ahead confidently on the road to academic excellence under the able leadership of an adept personality, **Shri. Jagdish G. Wadhwani**, Chairman, and the dynamic visionary, **Dr. Anil V. Chandewar**, the Principal. They have worked along with the other members of society towards achieving the heights of success and development. The influential leaders of the institution are working diligently to offer the best opportunities in pharmacy education and research for the betterment of society.*

Yavatmal Zilla Vikas Samiti was established in the year 1985 initiated by Shri. Mukul Wasnik, Ex. Minister HRD, Shri. Shivajirao Moghe, Minister for Social Welfare, M.S. and Shri. Jagdish G. Wadhwani, Chairman, Yavatmal Zilla Vikas Samiti, Yavatmal. The main objective of the organization was mainly to conduct social and cultural activities in new generation by the way of Blood Donation, Debate Competition, Vanmahotsav to lead them in harmony and national integration.

P. Wadhwani College of Pharmacy is situated in Yavatmal district, Maharashtra. Located 45 kilometers away from Dhamangaon railway station, it is approved by AICTE, PCI, and Directorate of Technical Education Mumbai, and is permanently affiliated to the Sant Gadge Baba Amravati University.

In the year 1997, PWCOP started offering Degree in Pharmacy education, followed by the introduction of postgraduate courses (M. Pharm) in 2006 in subjects including Pharmaceutics, Pharmaceutical Chemistry, Quality Assurance, and Pharmacology.

Ph. D. Programme in the subject of Pharmaceutical Sciences was started from 2008. Total intake capacity of research center is 32.

The college has a lush green campus & glorious building with spacious, modernized, and high- tech classrooms, laboratories which are well equipped with sophisticated instruments, and library with more than 12000 books and 50 national & international journals. Additionally, it conducts regular industrial visits, sport & cultural events, and workshops & seminars on the state and national level to provide much needed exposure to the students.

In addition to exceptional facilities, the college also offers scope of financial support to the students. The institution adheres to all quality measures in terms of imparting quality education to its students. As a result, many students of PWCOP easily get GPAT scholarships for pursuing higher education.

Various funding agencies like CSIR, DST, ICMR, UGC, AICTE, and many more have offered significant financial assistance to PWCOP to carry out various research projects, organize national seminars, and modernize the laboratories. Workshops, quality improvement program, and seminars to hone the skills of PG students and faculty are routinely conducted with financial assistance from AICTE and other funding agencies.

The college has joined hands with many companies to provide the ultimate educational, training, and career exposure to the students. It has teamed up with many business giants like Cognizant Mumbai; NM Pharma, Amravati; Macleods Pharmaceuticals Ltd, Mumbai; and Gentek Lifesciences, Wardha, Zim Lab, Nagpur. PWCOP also conducts various DST sponsored entrepreneurship development programs in association with MITCON to promote various central government schemes like Pradhan Mantri Kaushal Yojana, Start Up India, and the concept of Make in India.

Throughout its illustrious journey, the college has accomplished many remarkable feats. It has received various awards like Digitally Empowered Organization, ISO 9001:2015; Swachha Maharashtra Abhiyan; National Gold Star Award; 20 best institute of the year 2018 in Pharmacy Education and so on. Over the years, the college has produced many graduates who have made a mark on the industry through their innovative endeavors. Alumni of PWCOP are spread across the world, serving leading companies, educational institutions, and industries in senior positions.

Many have become industrialists and are successfully running their ventures. The college has an alumni association, which actively participates in student and staff development by carrying out research activities by financial and collaborative support. College runs various schemes for student benefit like Guardian Teacher's Scheme, Scholarship to economically weaker section.

PWCOP primarily lays emphasis on teaching and research initiatives. This can be vindicated by contributions of the college in national and international journals of repute every year. It publishes its own open access International Journal of Research in Pharmaceutical Technology for Pharmaceutical Scientists. The journal publishes research papers, reviews, commentaries, and letters to the editor as well as special issues.

Many young researchers and faculty of the college have received travel grants to attend conferences in India and abroad like Dubai, Japan, Singapore, Malaysia, and so on.

Most of the faculty members of the college are doctorate in their respective subjects.

In order to provide technical education to industrialise, marketing new drugs and to create self employment in industrial and educational field, Yavatmal Zilla Vikas Samiti started B. Pharm course from academic session 1997-98 in P. Wadhwani College of Pharmacy.

7. Program/Course credit structure

As per the philosophy of Credit Based Semester System, certain quantum of academic work viz. theory classes, tutorial hours, practical classes, etc. are measured in terms of credits. On satisfactory completion of the courses, a candidate earns credits. The amount of credit associated with a course is dependent upon the number of hours of instruction per week in that course. Similarly, the credit associated with any of the other academic, co/extra-curricular activities is dependent upon the quantum of work expected to be put in for each of these activities per week.

7.1. Credit assignment**7.1.1. Theory and Laboratory courses**

Courses are broadly classified as Theory and Practical. Theory courses consist of lecture (L) and/or tutorial (T) hours, and Practical (P) courses consist of hours spent in the laboratory. Credits (C) for a course is

dependent on the number of hours of instruction per week in that course, and is obtained by using a multiplier of one (1) for lecture and tutorial hours, and a multiplier of half (1/2) for practical (laboratory) hours. Thus, for example, a theory course having three lectures and one tutorial per week throughout the semester carries a credit of 4. Similarly, a practical having four laboratory hours per week throughout semester carries a credit of 2.

7.2. Minimum credit requirements

The minimum credit points required for award of a B. Pharm. degree is 208. These credits are divided into Theory courses, Tutorials, Practical, Practice School and Project over the duration of eight semesters. The credits are distributed semester-wise as shown in Table IX. Courses generally progress in sequences, building competencies and their positioning indicates certain academic maturity on the part of the learners. Learners are expected to follow the semester-wise schedule of courses given in the syllabus.

The lateral entry students shall get 52 credit points transferred from their D. Pharm program. Such students shall take up additional remedial courses of 'Communication Skills' (Theory and Practical) and 'Computer Applications in Pharmacy' (Theory and Practical) equivalent to 3 and 4 credit points respectively, a total of 7 credit points to attain 59 credit points, the maximum of I and II semesters and have to appear in environmental science of SEM-II but no credit will be awarded.

7.3. Promotion and award of grades

A student shall be declared PASS and eligible for getting grade in a course of B. Pharm. program if he/she secures at least 50% marks in that particular course including internal assessment. For example, to be declared as PASS and to get grade, the student has to secure a minimum of 50 marks for the total of 100 including continuous mode of assessment and end semester theory examination and has to secure a minimum of 25 marks for the total 50 including internal assessment and end semester practical exam.

7.4. Carry forward of marks

In case a student fails to secure the minimum 50% in any Theory or Practical course as specified in 12, then he/she shall reappear for the end semester examination of that course. However his/her marks of the Internal Assessment shall be carried over and he/she shall be entitled for grade obtained by him/her on passing.

7.5. Improvement of internal assessment

A student shall have the opportunity to improve his/her performance only once in the Sessional exam component of the internal assessment. The re-conduct of the Sessional exam shall be completed before the commencement of next end semester theory examinations.

7.6. Academic Progression:

No student shall be admitted to any examination unless he/she fulfills the norms given in Academic progression rules are applicable as follows:

A student shall be eligible to carry forward all the courses of I, II and III semesters till the IV semester examinations. However, he/she shall not be eligible to attend the courses of V semester until all the courses of I and II semesters are successfully completed.

A student shall be eligible to carry forward all the courses of III, IV and V semesters till the VI semester examinations. However, he/she shall not be eligible to attend the courses of VII semester until all the courses of I, II, III and IV semesters are successfully completed.

A student shall be eligible to carry forward all the courses of V, VI and VII semesters till the VIII semester examinations. However, he/she shall not be eligible to get the course completion certificate until all the courses of I, II, III, IV, V and VI semesters are successfully completed.

A student shall be eligible to get his/her CGPA upon successful completion of the courses of I to VIII semesters within the stipulated time period as per the norms specified in 26.

A lateral entry student shall be eligible to carry forward all the courses of III, IV and V semesters till the VI semester examinations. However, he/she shall not be eligible to attend the courses of VII semester until all the courses of III and IV semesters are successfully completed.

A lateral entry student shall be eligible to carry forward all the courses of V, VI and VII semesters till the VIII semester examinations. However, he/she shall not be eligible to get the course completion certificate until all the courses of III, IV, V and VI semesters are successfully completed.

A lateral entry student shall be eligible to get his/her CGPA upon successful completion of the courses of III to VIII semesters within the stipulated time period as per the norms specified in 26.

Any student who has given more than 4 chances for successful completion of I / III semester courses and more than 3 chances for successful completion of II / IV semester courses shall be permitted to attend V / VII semester classes ONLY during the subsequent academic year as the case may be. In simpler terms there shall NOT be any ODD BATCH for any semester.

Note: Grade AB should be considered as failed and treated as one head for deciding academic progression. Such rules are also applicable for those students who fail to register for examination(s) of any course in any semester.

7.7. Grading of performances

7.7.1. Letter grades and grade points allocations:

Based on the performances, each student shall be awarded a final letter grade at the end of the semester for each course. The letter grades and their corresponding grade points are given as follows -

% Of Marks Obtained	Letter Grade	Grade Point	Performance
90.00 – 100	O	10	Outstanding
80.00 – 89.99	A	9	Excellent
70.00 – 79.99	B	8	Good
60.00 – 69.99	C	7	Fair
50.00 – 59.99	D	6	Average
Less than 50	F	0	Fail
Absent	AB	0	Fail

A learner who remains absent for any end semester examination shall be assigned a letter grade of A Band a corresponding grade point of zero. He/she should reappear for the said evaluation/examination in due course.

7.8. The Semester grade point average (SGPA)

The performance of a student in a semester is indicated by a number called 'Semester Grade Point Average' (SGPA). The SGPA is the weighted average of the grade points obtained in all the courses by the student during the semester. For example, if a student takes five courses (Theory/Practical) in a semester with credits C1, C2, C3, C4 and C5 and the student's grade points in these courses are G1, G2, G3, G4 and G5, respectively, and then students' SGPA is equal to:

$$\text{SGPA} = \frac{C1G1 + C2G2 + C3G3 + C4G4 + C5G5}{C1 + C2 + C3 + C4 + C5}$$

The SGPA is calculated to two decimal points. It should be noted that, the SGPA for any semester shall take into consideration the F and AB grade awarded in that semester. For example if a learner has a F or AB grade in course 4, the SGPA shall then be computed as:

$$\text{SGPA} = \frac{C1G1 + C2G2 + C3G3 + C4 * \text{ZERO} + C5G5}{C1 + C2 + C3 + C4 + C5}$$

7.9. Cumulative Grade Point Average (CGPA)

The CGPA is calculated with the SGPA of all the VIII semesters to two decimal points and is indicated in final grade report card/final transcript showing the grades of all VIII semesters and their courses. The CGPA shall reflect the failed status in case of F grade(s), till the course(s) is/are passed. When the course(s) is/are passed by obtaining a pass grade on subsequent examination(s) the CGPA shall only reflect the new grade and not the fail grades earned earlier. The CGPA is calculated as:

$$\text{CGPA} = \frac{C1S1 + C2S2 + C3S3 + C4S4 + C5S5 + C6S6 + C7S7 + C8S8}{C1 + C2 + C3 + C4 + C5 + C6 + C7 + C8}$$

where C1, C2, C3, is the total number of credits for semester I, II, III, and S1, S2, S3, is the SGPA of semester I, II, III,

8.0. Declaration of class : The class shall be awarded on the basis of CGPA as follows:

First Class with Distinction	=	CGPA of 7.50 and above
First Class	=	CGPA of 6.00 to 7.49
Second Class	=	CGPA of 5.00 to 5.99

8.1. Project work

All the students shall undertake a project under the supervision of a teacher and submit a report. The area of the project shall directly relate any one of the elective subject opted by the student in semester VIII. The project shall be carried out in group not exceeding 5 in number. The project report shall be submitted in triplicate (typed & bound copy not less than 25 pages).

The internal and external examiner appointed by the University shall evaluate the project at the time of the Practical examinations of other semester(s). Students shall be evaluated in groups for four hours (i.e., about half an hour for a group of five students).

8.2. Industrial training (Desirable)

Every candidate shall be required to work for at least 150 hours spread over four weeks in a Pharmaceutical Industry/Hospital. It includes Production unit, Quality Control department, Quality Assurance department, Analytical laboratory, Chemical manufacturing unit, Pharmaceutical R&D, Hospital (Clinical Pharmacy), Clinical Research Organization, Community Pharmacy, etc. After the Semester – VI and before the commencement of Semester – VII, and shall submit satisfactory report of such work and certificate duly signed by the authority of training organization to the head of the institute.

9.0. Practice School

In the VII semester, every candidate shall undergo practice school for a period of 150 hours evenly distributed throughout the semester. The student shall opt any one of the domains for practice school declared by the program committee from time to time.

At the end of the practice school, every student shall submit a printed report (in triplicate) on the practice school he/she attended (not more than 25 pages). Along with the exams of semester VII, the report submitted by the student, knowledge and skills acquired by the student through practice school shall be evaluated by the subject experts at college level and grade point shall be awarded.

10.0. Award of Ranks

Ranks and Medals shall be awarded on the basis of final CGPA. However, candidates who fail in one or more courses during the B. Pharm program shall not be eligible for award of ranks. Moreover, the candidates should have completed the B. Pharm program in minimum prescribed number of years, (four years) for the award of Ranks.

11.0. Award of degree

Candidates who fulfill the requirements mentioned above shall be eligible for award of degree during the ensuing convocation. Convocation will be held in college campus every year at the time of 1st day of Annual Day Celebration.
