

P. Wadhvani College of Pharmacy, Yavatmal:

Offering Unique Opportunities
for Enhancement of Pharmacy
Education and Research

The pharmacy profession and education has undergone massive changes post-independence. Many institutions are opting innovative procedures and cutting-edge technologies to provide lasting healthcare and educational experience. An institute upholding pharmacy education while accepting the changing roles of a professional pharmacist is **P. Wadhvani College of Pharmacy (PWCOP), Yavatmal**. The college was established in the year 1985, and is situated in Yavatmal district, Maharashtra. Located 45 kilometers away from Dhamangaon railway station, it is approved by AICTE, PCI, and Directorate of Technical Education Mumbai, and is affiliated to the Sant Gadge Baba Amravati University.

Exceptional Curricular, Extra-Curricular, and Infrastructural Facilities

In the year 1993, PWCOP started offering Diploma in Pharmacy (D.

Pharm.) education, followed by the introduction of Degree course in Pharmacy (B. Pharm) in 1997. It initiated postgraduate courses (M. Pharm) in 2006 in subjects including Pharmaceutics, Pharmaceutical Chemistry, Quality Assurance, and Pharmacology. The college has a lush green campus & glorious building with spacious, modernized, and high-tech classrooms, laboratories which are well equipped with sophisticated instruments, and library with more than 12000 books and 50 national & international journals. Additionally, it conducts regular educational visits, sport & cultural events, and workshops & seminars of the state and national level to provide much needed exposure to the students.

Financial Assistance

In addition to exceptional facilities, the college also offers scope of financial support to the students. The institution adheres to all quality measures in terms of imparting

quality education to its students. As a result, many students of PWCOP easily get GPAT scholarships for pursuing higher education. Various funding agencies like CSIR, DST, ICMR, UGC, AICTE, and many more have offered significant financial assistance to PWCOP to carry out various research projects, organize national seminars, and modernize the laboratories. Workshops, quality improvement program, and seminars to hone the skills of PG students and faculty are routinely conducted with financial assistance from AICTE and other funding agencies.

Major Collaborations

The college has joined hands with many companies to provide the ultimate educational, training, and career exposure to the students. It has teamed up with many business giants like *Cognizant Mumbai; NM Pharma, Amravati; Macleods Pharmaceuticals Ltd, Mumbai;* and

The institute aims to provide a platform to students for their quality education and development of multidimensional personality.

Gentek Lifesciences, Wardha. PWCOP also conducts various DST sponsored entrepreneurship development programs in association with MITCON to promote various central government schemes like Pradhan Mantri Kaushal Yojana, Start Up India, and the concept of Make in India.

Landmark Achievements and Eminent Alumni

Throughout its illustrious journey, the college has accomplished many remarkable feats. It has received various awards like *Digitally Empowered Organization, ISO 9001:2015; Swachha Maharashtra Abhiyan; National Gold Star Award;* and so on. Over the years, the college has produced many graduates who have made a mark on the industry through their innovative endeavors. Alumni of PWCOP are spread across the world, serving leading companies, educational institutions, and industries in senior positions. Many have become industrialists and are successfully running their ventures. The college has an alumni association, which actively participates in student and staff development by carrying out research activities by financial and collaborative support.

Focus on Research and Publication

PWCOP primarily lays emphasis on teaching and research initiatives.

Shri. Jagdish G. Wadhvani

This can be vindicated by contributions of the college in national and international journals of repute every year. It publishes its own open access International Journal of Research in Pharmaceutical Technology for Pharmaceutical Scientists. The journal publishes research papers, reviews, commentaries, and letters to the editor as well as special issues.

Many young researchers and faculty of the college have received travel grants to attend conferences in India and abroad like Dubai, Japan, Singapore, Malaysia, and so on. Most of the faculty members of the college are doctorate in their respective subjects.

Career Development Initiatives

PWCOP leaves no stone unturned to make sure that the students are

Dr. Anil V. Chandewar

The Astute Frontrunners

PWCOP marches ahead confidently on the road to academic excellence under the able leadership of an adept personality, **Shri. Jagdish G. Wadhvani, Chairman**, and the dynamic visionary, **Dr. Anil V. Chandewar, the Principal**. They have worked along with the other members of society towards achieving the heights of success and development. The influential leaders of the institution are working diligently to offer the best opportunities in pharmacy education and research for the betterment of society.

trained properly. The college hones their skills and prepares them for the best jobs in the market. It has an Industry-Institute Partnership Cell, which ensures good interaction with pharmaceutical industries. PWCOP has a placement cell which assists students to get rewarding jobs in industries. The college maintains regular interactions with the industry leaders, which in turn helps the qualified graduates and post-graduates to be preferentially employed.
